

AMARNATH DAS

FRONTEND | REACT.JS/JAVASCRIPT DEVELOPER

amarnathds@gmail.com 9681599187

Kolkata, India

Frontend Group Lead with 9+ years of UI development experience, specializing in React.js, performance optimization, and scalable front-end architecture. Led a UI team for 2 years, improving code quality, performance, and developer productivity. Expertise in React.js, JavaScript, Material-UI, and CI/CD workflows. Passionate about mentoring engineers, building design systems, and optimizing UI/UX for high-performance applications. Seeking a leadership role in frontend architecture or product-focused UI development.

WORK EXPERIENCE

Group lead - Frontend

Tier5 Technologies Pvt. Ltd, Kolkata

2019 - 2025

Projects:

- Friender (UI / Frontend) with ReactJS, HTML, CSS and Javascript.
 - Guided UX team for better user experience and feasibility of design according to Frontend, which **helped the UX process make less mistake of omission and thus helped save time in development.**
 - Created SCSS and UI **base files for reuse** through the development cycle, creating **CSS classes** for re-use and **SCSS functions** for use.
 - Created Reusable React / UI components, like **inputs, textareas, radio, checkboxes, buttons etc.** which **helps maintain stability in design**
 - **Guided a team of two**, distribution of work and planning for UI / FE work.
 - Made decision and changes in Frontend, **which helped bring down initial load time of app by about 30%**, using **ReactJs Code-splitting and HTML+CSS optimization**
 - Also had given input for UX, **which impacted in the App getting a facelift / upgrade in small things, e.g.: Continuing modal border transition.**
 - Created features and UI flow by going through **Technical Documentation** . Also making team understand and clearing their doubts.
- Kyubi (UI / Frontend) in React
 - **First time working with ReactJs**, I had to learn and adapt very fast **while also giving support for UI** for other projects.
 - Created **UI components using JSX and ReactJs**, working both in **Functional and Class-based** ReactJs format.
- Redbelt Gym (UI / Frontend) in React
 - Created UI components using **JSX and ReactJs**.
 - Completed the **Payment module** in Frontend, where payment via **Bank, Cards, Installments and a mix of all** methods was in practise in the app. I had to **create and deploy** the initial phase of this within a span of 2 weeks, **while also learning API implementation.**
- Sticky Reviews, LinkWizard, TextInBulk / Chirply UI
- Chrome extensions UI
 - Helped create the **first, and many, extensions from our organisation e.g.: Friend Connector, Post Profits, etc.**
 - I have got to learn about **service workers and background working of Javascript.**
- **Instructional Design: I have also mentored** and conducted sessions for HTML and CSS for 2 batches of **interns.**

Recognitions:

- UI Developer of Quarter
 - Employee of the Month
-

UI Developer

Esolz Technologies Pvt. Ltd

2015 - 2019

In this service based organisation, I started off my career running, as I had to **learn fast and work faster**. I would be given designs/ideas in PSD, PDFs, Sketch files and informed to complete such work in a day's time. At times, I had to complete such design in HTML, CSS and **jQuery, while also giving UI support to Frontend and Backend developers.**

I am especially proud of a time **when I had to finish a dashboard UI within a month**, which had multiple pages and grid type structures.

Projects:

- Adseyes **UI**
- Pinpoint **UI**
- Holydelights **UI**
- TinoH.info **UI**

Recognitions:

- New Joinee Appreciation
- Was given opportunity to go through **Nestle based app**, to learn more about **React**

SKILLS

HTML
CSS
jQuery
Javascript
React Js
Git (version control system)
Redux Toolkit
API implementation
Bootstrap
Material UI
Chakra UI
Figma
AG-Grid
Photoshop
Premiere Pro

Team Handling:

Jira
CI/CD
Agile

Knowledge in:

AWS (Frontend deployment)
Typescript
VueJs

EDUCATION

Certificate in Web Design

Brainware University

2014

B. Com (Finance & Investment)
(Distance Education via ICA)

Annamalai University

2009 - 2012
(Certification received dated March 2013)
